Re: C00075820 - September Monthly Report (8/1/00-8/31/00)

Dear Ms. Wilkens:

In your December 20, 2000 letter, you have requested information regarding several portions of the Committee's September Monthly Report (8/1/00-8/31/00).

- All expenditures for "media placement" were made in connection with the Committee's generic media campaign and were not made on behalf of any specifically identified federal candidate.
- An amended Schedule H2 has been included to show the correct ratio for the code 313-325-316 and the code 312-309-301-310. These ratios correspond with the calculations on Schedule H4.
- You will note that the Committee has consistently reported all ratios that are current in the cycle, regardless of the activity in any particular reporting period. This is an attempt by the Committee to maintain consistency in the public record.
- An amended Schedule H4 has been provided to clarify the description "creative."
- You have stated that Schedule H3 discloses numerous transfers-in from the NRCC Non-Federal Account which are not disclosed by the Non-Federal Account. The original report disclosed all transfers from the non-federal account related to cash transfers for expenditure allocation. An amended report dated December 6, 2000, and received by the Commission on December 12, 2000, disclosed the transfers for in-kinds received by the Committee. Additionally, an amended memo Schedule B has been included to correct the voided check on 8/31/00.
